

# NEVER AGAIN

The Hiroshima and Nagasaki  
Atomic Bomb Exhibition  
Holmes à Court Gallery @ no.10  
10.5.25 - 21.6.25

## SPONSORSHIP REQUEST

**Never Again** is a unique and deeply moving exhibition, curated by the citizens of Hiroshima and Nagasaki, the only human beings to have ever suffered an atomic bombing in wartime.

This travelling exhibition is coming to Western Australia for the very first time in 2025, and will be accompanied by one of the few surviving *hibakusha* - the Japanese term for a person who was affected by the bombings. This exhibition offers Perth a rare opportunity to experience a powerful narrative of remembrance, resilience, and progress towards a world free of nuclear weapons.

The exhibition features:

- **Artefacts and photographs:** Original items and powerful images from Hiroshima and Nagasaki
- **Personal stories:** Accounts that highlight the human toll of the bombings
- **Interactive elements:** Multimedia presentations to engage visitors and deepen their understanding
- **Special guests:** Meet a survivor of the bombings, and local and international experts
- **Educational program:** Sessions for school groups
- **Film program:** Screenings of iconic films on war and peace at the Backlot Cinema

The exhibition will run from 10 May to 21 June 2025 at the Holmes à Court Gallery @ no.10, West Perth. The exhibition is expected to attract thousands of visitors, and to generate vital discussion about our shared past, present, and future. We invite you to express your commitment to peace and justice by becoming a sponsor of **Never Again**.
